RESOLUTION NO. 076 SERIES OF 2014

REQUESTING THE NATIONAL IRRIGATION ADMINISTRATION (NIA) TO FURNISH THE
SANGGUNIANG BAYAN COPIES OF PROGRAM OF WORK, PLANS AND SPECIFICATIONS
OF THE ON-GOING SABO DAM PROJECT IN THE MUNICIPALITY OF BAMBAN

WHEREAS, the much awaited construction of the sabo dam to improve the Bamban communal irrigation system has been going on for over a month already but local officials and local farmers -who are the end users of this project- have apprehensions that the output may not work according to the needs of the farmers;

WHEREAS, the apprehensions of these farmers stemmed from the lack of information as to the approved plan and specifications of the project which they could not obtain from the municipal engineer as he himself failed to get copies from the National Irrigation Administration (NIA) despite repeated requests;

WHEREAS, this Body believes that it is just proper and necessary to provide the Municipal Government sufficient information on the on-going infrastructure project as this procedure is mandated under Section 524 (b) of the Local Government Code of 1991, which states: "No infrastructure or community project within the territorial jurisdiction of any local government unit shall be undertaken without informing the local chief executive and the sanggunian concerned";

NOW THEREFORE, on joint motion of Councilor July A. Vitug, and Councilor Danilo Lugtu, unanimously seconded:

BE IT RESOLVED, to request the National Irrigation Administration (NIA)-Tarlac to furnish the Sangguniang Bayan copies of the program of work, plans and specifications of the sabo dam project in this municipality

RESOLVED FURTHER, let copies of this resolution be forwarded to the NIA-Tarlac, thru Mr. Lauro Ballesteros, Tarlac Manager, for his information and positive response and be furnished the Hon. Mayor Jose Antonio T. Feliciano, Engr. Jose L. Vital, Municipal Engineer, Mr. Virgilo Muldong, Irrigators Association President, and others concerned, for their information.
