RESOLUTION NO. 054, SERIES OF 2016

REQUESTING THE HONORABLE GOVERNOR SUSAN YAP TO PROVIDE THE SERVICES OF ONE (1) BULDOZZER FOR THE NECESSARY DESILTING WORKS TO TEMPORARILY IMPROVE THE OPERATION OF THE BAMBAN COMMUNAL IRRIGATION SYSTEM

WHEREAS, based on the assurance given recently by the National Irrigation Administration (NIA), a study is currently being conducted for the review of design of the Bamban Communal Irrigation System so as to finally complete its restoration, but that would not be probable yet in 2017;

WHEREAS, in light of this reality, temporary remedies are being undertaken by the Municipal government if only to assist the local farmers who depend largely on the said irrigation structure for their crops;

WHEREAS, farmers are faced with the recurring problem of sedimentation especially after a heavy rain that requires desilting so as to ensure efficient conveyance of water to farm lots and this raises the need for an equipment (i.e. bulldozer) which the Municipal Government lacks;

NOW THEREFORE, on motion of Councilor Danilo Lugtu unanimously seconded:

BE IT RESOLVED, to request the Honorable Governor Susan A. Yap to provide the services of one (1) bulldozer to the Municipality of Bamban for the necessary desilting works to temporarily improve the operation of the Bamban Communal Irrigation System preferably in the first week of November 2016.

RESOLVED FURTHER, let copies of this resolution be forwarded to the Honorable Governor Susan A. Yap at Tarlac Provincial Capitol for her information and favorable response, and be furnished the president of Bamban Barangay Irrigators Association for their information.

CARRIED.
