RESOLUTION NO. 076, SERIES OF 2016

REQUESTING THE HONORABLE REP. NOEL VILLANUEVA TO FUND THE CONSTRUCTION OF A
SABO DAM FOR THE BAMBAN COMMUNAL IRRIGATION SYSTEM THRU HIS
DISCRETIONARY FUNDS

WHEREAS, in our utmost desire to remedy the difficulties being experienced by local farmers who rely largely to the Bamban Communal Irrigation system (CIS), we requested the NIA sometime early this year to include in their budget for 2017 the improvement of the irrigation thru sabo dam construction;

WHEREAS, unfortunately, the NIA, in its reply (copy attached) dated September 20, 2016, said that it cannot include in its 2017 budget the restoration of Bamban CIS pending the result of the “foundation investigation and river morphological study” being conducted ;

WHEREAS, this Body is concerned that the period from now until the end of 2017 is quite a long time to wait for the local farmers considering that their farmlands badly need irrigation water especially during the long dry season ;

WHEREAS, this Body wants to explore all possible sources of assistance if only to help alleviate the farmers’ difficult situation;

NOW THEREFORE, on joint motion of Councilor Danilo Lugtu and Councilor Jose M. Salting, Jr., unanimously seconded:

BE IT RESOLVED, to respectfully request the Honorable Rep. Noel S. Villanueva to fund the construction of a sabo dam for the Bamban Communal Irrigation System thru his 2016 discretionary funds for the benefit of the affected farmers in the Municipality.
